Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

**DETAILED ACTION**

1. The timely submission under 37 CFR 1.129(a) filed on 5/29/2007 is not fully responsive to the prior Office action because Applicant's response is based on a reference that was not submitted in the office action mailed on 1/26/2007. The current grounds of rejection are based on a reference that was not addressed or correctly identified in the 5/29/2007 response. The correct reference (Advisors Assistant) is attached to this communication. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a).

The appeal stands dismissed.
